# Designing for the Cheesemonger of the Year

[www.thecourtyarddairy.co.uk](http://www.thecourtyarddairy.co.uk)

This specialist cheese purveyor briefed us to create a website to help grow his business online. We delivered a website that doubled visitor numbers and increased online orders (we also bagged the finalist nomination in The Drum Design Awards 2013 - nice!).

x2<sup>+</sup>

Doubled website traffic

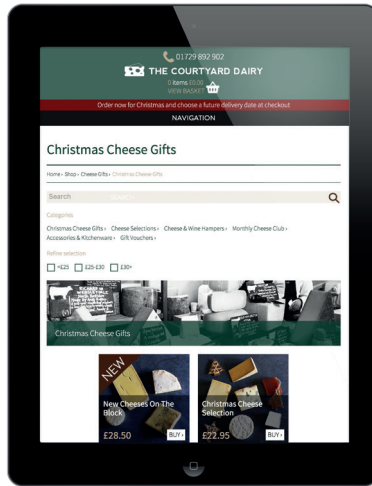

Increased online sales

+96%

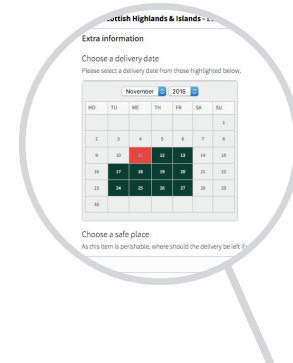

Increased mobile traffic

eCommerce Website Design

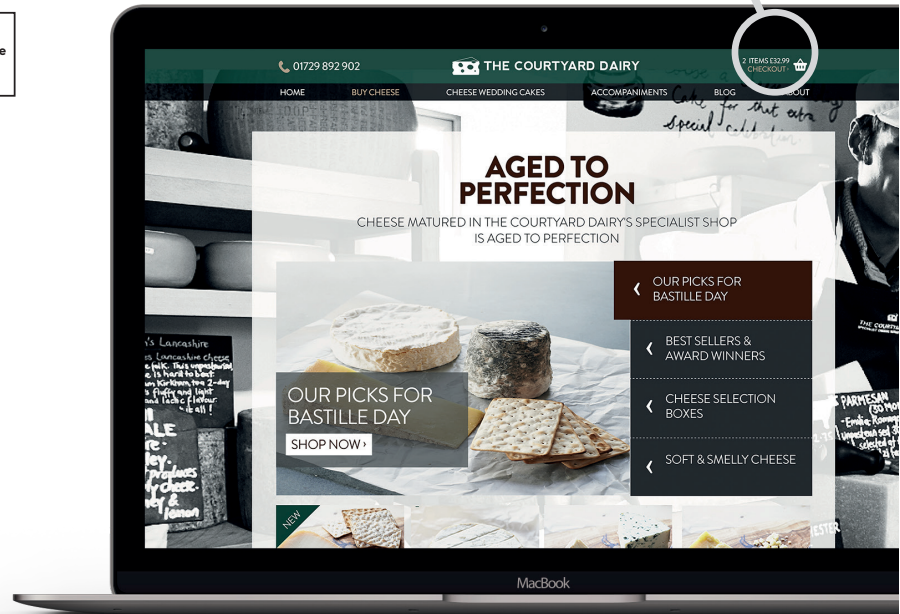

## Making it all possible

We built a custom date picker that makes the online cheese shop possible – orders are packed with chill bags keeping the perishable orders cool for 24 hours – leaving plenty of time for the customer to get home and pop their delivery in the fridge.

# Refreshing a classic pub brand

[www.brakspear.co.uk](http://www.brakspear.co.uk)

This famous family-run company has a portfolio of over 100 pubs. We are creating an exciting redesign of the website and recruitment microsite, featuring an interactive map to make finding the nearest Brakspear pub a breeze. Our goals are to:

- +  Increased brand recognition
- +  Increase leads from landlords
- +  Increase mobile traffic

# A neat website for Messer Schmitt

[www.messer-schmitt.com](http://www.messer-schmitt.com)

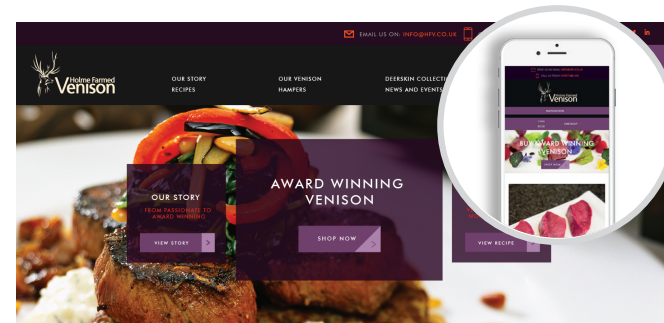

Drinks brand Messer Schmitt commissioned us to build a cool, creative website that would reflect the irreverent nature of its brand. The website included easy navigation, slick animation and a platform to post regular news updates.

# Bringing holme the venison

[www.hfv.co.uk](http://www.hfv.co.uk)

Holme Farmed Venison supply high quality meat and game to supermarkets, Michelin starred restaurants and private consumers across the UK. The owner Nigel Sampson, tasked us with redesigning HFV's previous under-performing eCommerce website.
